If you've ever suffered from foul breath, you'll be happy to learn about the BreezeCare Tongue Cleaner.

The Australian Bad Breath Clinic research shows cleaning your tongue improves taste and breath freshness. The new Breezecare Tongue Cleaner (\$29.95) removes bacterial build-up (the main cause of bad breath) from the surface of the tongue.

The ingredients work through the night, ensuring you wake with fresh breath - just what you need after a big night out! Phone 1300 653 335 or see www.breezecare.com.au
